A NOTE THAT EXPLAINS THIS MONTH'S CALENDAR

Please do not be alarmed. All daily and monthly events are listed for you on page 31. We are trying to prepare for Palm Hill's highly filled calendar in the months ahead! This new format offers a centerfold, pull-out, personal use calendar for your convenience. The reason for this change was due to many comments from residents who were unable to read the calendar. We want what works best.

Did you know you can view The Link online too? A full-color digital version is posted on the Palm Hill website (palmhillcountryclub.net) on the first of each month. You will find it if you go to the ABOUT tab on the top of the website home page.

Palm Hill Country Club Golf Course Superintendent

Joe Clay - Keeper of The Course

I was grateful to spend time with Joe Clay before the busy Palm Hill golfing season arrived. Being new here, I had no idea all the responsibility that belongs to a Country Club Golf Course Superintendent. I knew that someone was mowing our course, before light, 6 out of 7 days, and I could clearly see that someone was making sure that our course was well managed and remained beautiful!

Joe started his life in St Louis, Missouri, and dutifully served in The United States Air Force. Upon leaving the military, he earned his college degree in Golf Course Operations. Joe was ready to put his knowledge to work and has continued to manicure golf courses since 1977.

As unpredictable as Florida weather can be, Joe has learned to be a controller of the elements. Every day presents a new equation by balancing the irrigation required, with the chemical applications required, with the weather conditions and with the City of Largo's water restrictions. Joe was kind enough to take the time to explain that throughout the year the ground temperature determines the need for weed control, insect control, sprays and applications. He added that protecting golfers from anything applied to the grass, demanded that all applications were made late in the day. Nightly irrigation "waters down the course" and nothing is left behind by morning Tee-Off Times.

Joe also explained the benefits and difficulties of being an independent contractor. Maintaining a positive relationship with the suppliers of needed materials and equipment is a top priority. Keeping machines in the best working order when they are needed continuously is highly challenging. All of Joe's days have a strict schedule, but many days are reworked due to broken

or damaged hole cups, damaged greens, aging equipment or broken irrigation pipes. Fixing everything takes time and money, patience, skill and cooperation from Joe's team. Butch and Andy work alongside Joe two days each week; these three men, with varying professional skills, work smoothly and efficiently together. Dealing with the unexpected has become the team's greatest strength.

Every piece of this puzzle is essential to every day. Joe is always balancing the time it takes to manage all elements of the job by carefully coordinating rising costs with tasks that need to be accomplished.

Six days a week, each day begins between 6:20 and 6:30 am on the lawn mower. Leaving by 2:30 pm allows Joe to return to complete various course applications that need the overnight irrigation. Controlling start and stop times through a program on Joe's phone ensures that all fine details of this well-managed course are regulated with precision. Joe clarified that his years in the job have earned him the greatest rewards. He gladly shares his passion for Golf Course Management with everyone. Joe's dedication to Palm Hill Country Club is obvious.

Thank you, Mr. Clay, for proudly serving our country and serving Palm Hill!

MESSAGE FROM BOARD PRESIDENT HENRY KLAIN

Shareholders & Residents:
Contemplating our community's past and future, I have spent the first decade of my retirement reflecting on accomplishments in life and, more specifically, what makes Palm Hill Country Club so special.
Palm Hill is more than a place to live. It is a retirement cooperative that has served that purpose for decades. It is one of the reasons Darlene and I, along with countless others, chose

continued on page 6

to spend our retirement years here, with friends, neighbors and like-minded people who share the same appreciation for this stage of life. We are not alone in that journey.
Some have said that Palm Hill attracts those seeking a resort-like environment at a bargain price. Reflecting on that observation, I believe there is considerable truth to it. Our monthly maintenance fee, combined with the amenities, social activities, physical facilities and onsite services, represents remarkable value in today's marketplace.
But perhaps we underestimate what Palm Hill has truly accomplished.
Much of what makes this community successful has been built and sustained by shareholders who voluntarily contribute their time, knowledge, experience and expertise for the benefit of others. That contribution is difficult to put a price on...it is, quite simply, priceless.
As we contemplate Palm Hill's future, we should never lose sight of this unique character. We are a cooperative built by shareholders, for shareholders. That special status is what separates Palm Hill from a commercial enterprise, or a Home Owners Association (HOA) and is one of the greatest assets we have.
We should protect it, value it and ensure that it continues for generations of Palm Hill shareholders to come.
Continued health and happiness,
Henry Klain
President, HOPH Inc

STORY OF THE MONTH:

97 ½ and Still Chasing Birdies Instead of Birthdays

Written by Carolyn M. Story as told by Mary Leslie
Golf Advisory Committee

There are no mulligans needed — Mary Leslie has aced nearly a century! Mary and her husband, Herb, came to Florida in 1987 and settled in Palm Hill in 1988. They first rented on Thatch Way and Royal Palm before purchasing their home on Cane Palm in 2002.

Mary began learning golf in 1988, with Herb as her instructor. He had a deep love for the game, and the couple decided it was something they could share together.

My husband, Richie, and I invited them to a golf outing we organized in Sebring, Florida. There, Mary and Herb met many golfers — on the course and in the hospitality room — marking the start of a lifetime of golfing friendships and activities. Mary recalls raising money for the new Pro Shop through spaghetti dinners, cookie sales, and an ongoing 50/50 draw.

Mary has held various positions with the Palm Hill Ladies Golf League, serving as Secretary and as President from 2007 to 2009. She was also Secretary of the South Recreation Club. Mary is someone who contributes to her community wherever she is needed.

Mary and Herb reshaped the annual Ladies' and Men's Golf Awards Dinner by combining the two events into one. The new dress code called for suits and tuxedos alongside cocktail dresses. This change complemented an upscale dinner and a well-rehearsed awards presentation honoring the winners of each division.

continued on page 10

Mary's first hole-in-one came at Rowley Country Club in Rowley, Massachusetts, on October 7, 1991. Since then, she has scored ten more at Palm Hill. Her favorite hole at Palm Hill is hole #5. During their years splitting time between Massachusetts and Palm Hill as snowbirds, the couple once returned from the North and even before unpacking, headed straight to the golf course — where Herb scored a hole-in-one on hole #3. It surprised him more than anyone, especially since they played very little golf while up north.

Mary has a few guiding thoughts about the game: perseverance is essential, patience matters, always be ready when it's your turn, keep play moving, save the chatter for the clubhouse afterward, and above all, have fun.

Golf has enriched Mary and Herb's social lives and given them lasting friendships, though many of those friends have since passed away. Mary admires the spirit and enthusiasm of the younger women who now hold office and play with the Palm Hill Ladies Golf League.

Mary thanks God for her good health and her continued, physical, flexibility.

As she put it: "My scores have increased, which is understandable; however, sometimes my inability to play a better game is frustrating." Mary's continued passion is the scorecard that keeps her forever in the game.

These days, at ninety-seven and a half, Mary isn't counting the years, she's only counting the fairways.

RENTERS – WEB BLASTS and WEB ACCESS

Renters can receive Park web blasts from the Office and the Webmaster. Renters must contact the Webmaster when they arrive to the Park and submit the following: name, email address, Palm Hill address, and the day they will be leaving Palm Hill. The Office never forwards the renters' info to the Webmaster for this purpose.
Renters may also request access to the website, however access to the website may be limited.
Previous renters still receiving Palm Hill blasts may contact the webmaster to end the blasts.
Renters may email the webmaster at palmhill.webmaster1@gmail.com.
Parts of the website are open to the public. That includes the Real Estate for Sale and Rent sections – both are accessible from the Home Page. Another location to access information is from the drop down "About" on the Home Page. "About" and other categories of information are on the website, in the black bar across the top.

- When you sign up, you choose how to receive alerts. This could be a cell phone, landline, text or email. You can enter multiple methods.

Susan Fisher, (813) 312-3872, susantfisher11@aol.com
The PH BOOKCLUB is excited to begin their new season with the book Foster by Claire Keegan. Thursday, November 12 at 1:00 in South Clubhouse Hall. Discussion Leader: Mary O'Donohue. The book takes place in rural Ireland during the summer of 1981. The family cannot afford to keep all their children, so they send "the girl" to stay with an aunt and uncle on their farm. This heartwarming story is about all the things that make family, including the ones you are not born into. The language is beautifully depicted. If you have been wondering about the BOOKCLUB, this would be a great time to join us as it is a short novel (less than 100 pages) and our group will be small as not everyone is back yet. Our activity the next week will be lunch at an Irish pub. We welcome new members who wish to reap the mental health benefits of open-mindedness, continued learning, and discussing a variety of topics.

2. Bring a can of food for the donations barrel that goes to Hope Villages and you've earned another punch on your card.
3. Enjoy the BIRTHDAY CLUB. During your birthday month you are given a FREE $2.00 card.

If you've never played bingo because life was too busy, but now you are finally retired, come and give it a try. To the seasoned players that may not play here in the community, come and give it a try. The more people that play the bigger the payouts. Cards are available for $2.00, $4.00, and $6.00. Doors open at 5:45, games start at 7:00.

Did You Know?

Before pumpkins were associated with Halloween, northern Europeans would carve scary faces into potatos and large beets, and light them for the inside with candles in an effort to scare away evil spirits.

FINDING ADDITIONAL FUN: FOUR HUNDRED CHOICES

Puzzles can provide thousands of different opportunities to exercise and challenge our brain. A delightful puzzle can also be your best companion.

Jane Singer's carport at 1 Thatch Palm East is the residence of approximately 400-450 jigsaw puzzles of various sizes from 300 to 750 pieces. If you need an even larger design, 1000-piece puzzles are in the South Clubhouse Laundry Room. Starting in 2020, when Covid appeared, Jane had around 20 puzzles and a card table. The collection has grown and now there are 400+ purchased and donated puzzles and 9 full bookcases.

The puzzles are available most of the time - barring rain! Residents can just stop by (or call first to make sure the tarps are open) and take as many puzzles as they wish. Return puzzles when you are ready for more! For anyone unable to get to the puzzles for whatever reason, just call or text Jane at (727) 804-1197, tell her what you'd like, and she will bring them to you.

"Rules" for returning the puzzles:

1. Make sure puzzle pieces are in plastic bags.
2. If the puzzle is missing a piece or two, please circle the picture on the box to indicate where there's a missing piece. Should you get a puzzle with more than two pieces missing, please throw it away! It's a good excuse for Jane to get more!
3. Just put puzzles on top of a bookcase or on the golf cart. Jane likes to double check them and put them away herself.

continued on page 36

By the end of our visit, Jane remarked that her two greatest joys of living in Palm Hill are providing the puzzles and developing friendships that began with neighbors needing and wanting to borrow puzzles!

Thanks to The Puzzle Lady, Jane Singer, for her caring and generous spirit!

WATER SAVINGS

VOLUNTEERS WILL HELP TEST TOILETS

From Chuck Silcox, Board Member

Water and sewer bills cost $25 per every 1,000 gals of water. Fixing a leaking toilet provides a way to reduce Palm Hill water costs. When a toilet or faucet etc. is changed, there are options to purchase devices that use less water.

The Palm Hill Board of Directors has agreed to pay to repair the toilets that are wasting water. The cost to repair one toilet is about $15. In four months, we will save $300 on water and sewer expenses for one toilet. Since that toilet should not leak for the next five years, that would be an additional $300 in savings every four months for five years – a savings of $4,500 for that one leaking toilet.

Dye tablets are distributed regularly and are available at the Office. If the dye tablet test shows your toilet is leaking water, go to the Palm Hill Office and fill out a consent form with your contact info. A volunteer can call and come by to make the repair.

When the volunteer comes to make the repair, he will retest the toilet. If it needs repair, he will repair it. He is instructed not to spend time and money repairing toilets that are not leaking.

If for some reason you can't test your toilet, volunteers are available to perform the test.
Just call the OFFICE (727-581-8729) and ask to put your name on the list for a toilet test.
