A NOTE THAT EXPLAINS YOUR PALM HILL LINK

While continuing to find solutions to things that seem to be simply broken or maybe merely outdated, the structure of this monthly newsletter is evolving. While you can never please, "all of the people all of the time", it's worth a try. Asking everyone to embrace change is a daring design, but I'm a change agent and I can take the heat. If you want to fire me, I'm good with that too. Yes, unfortunately there will be mistakes every month. I'm not always informed in time, and I'm often given incorrect information to include. Many mistakes are my own doing. I'm going to continue doing my best and I thank you for your willingness to keep me straight. I hope you will continue to look forward to receiving your paper copy of Palm Hill Link every month or you enjoy finding all the news on our website. As we are quickly approaching the holiday season, I pray you will be blessed with the spirited attitude of thanksgiving and find wonder about all things that are new!

View The Link online too! A full-color digital version is posted on the Palm Hill website.
Go to (palmhillcountryclub.net) on the first of each month.

SMILING @ THE LADIES LUNCHEON

Volunteering for the first time appeared daunting. Sure, everyone says, "It's easy, you'll be fine." I can be a bit of an overthinker and an over planner, so nothing is easy the first time. The instructions provided and the partner who picked me, as a trainee, were what made my first experience co-hosting a Palm Hill Ladies Luncheon truly memorable. For those of you who have hosting experience, I hope you continue to welcome such a fun afternoon with friends.

To me, it was extraordinary to spend 1 hour or less, 6 times in a month, asking ladies to give me money. The instructions also stated that I needed to make a list with everyone's name and everyone's phone number. Why would ladies who have only seen my face a few times be willing to agree to such an arrangement? They were even bringing me extra money for their friends. What kind of place is this? I'm collecting money from ladies who barely know me and who are willing to trust me to hold $5 for them, plus give me their important information?

They immediately trusted me to keep their money, like a bank, and return it in a few weeks with some sort of reward for their trust? This is quite unusual and even a little suspicious. I began to feel as if I was promising snowfall in Florida or selling snow to Eskimos, and they were buying it. Maybe they imagined or read somewhere that I was putting in an order for a youth elixir, and everyone was willing to give it a try. Either way, I suppose their $5 was not too much to lose.

Whatever was going on, the sweet system at Palm Hill works and it works well. After three weeks, a total of 47 ladies signed up to have lunch with ME at a restaurant where I had never been and I couldn't tout. Oh, my goodness, I could never imagine such a gift. I've been living here for six months and people were bringing me money and were willing to get dressed up and are willing to drive to go to lunch with ME.

I am grateful to everyone who took a chance and trusted in me.

Well, then I found out that I followed my co-host's directions and booked the restaurant where everyone loves to go. And everyone arrived 30 minutes early and were ready to order their well-tested selections. And then I learned that the restaurant was known and loved for generously giving gift certificates to ensure that when the next new trainee comes through, they can feel as special as I felt. There I was, going to lunch with 47 of my new generous neighbors, who were more than willing to give me $5 just because they could tell, I just needed a few new friends. Thanks for recognizing my neediness and thanks too for your kindness. Thanks for your smiling faces! Thanks for showing me that at Palm Hill, love lives here!

It all had nothing to do with me; I'm just a trainee.

COMMUNICATING WELL EVERY DAY WITH PALM HILL COUNTRY CLUB PRESIDENT, BOARD & RPM

MESSAGE FROM BOARD PRESIDENT HENRY KLAIN

I understand there have been questions regarding the status of Palm Hill's land purchase initiative. This matter is presently being addressed and deserves further consideration.

The potential purchase has been discussed at the P&E Committee, where the view was expressed that the initiative is financially viable and warrants further exploration by the Board. On September 30th, the Board accepted that advice and unanimously adopted the following motion to establish a Land Advisory Team:

Motion to Establish a Land Advisory Team

I move that the Board of Directors establish a "Land Advisory Team" to research and evaluate Palm Hill's potential purchase of the land currently leased from John S. Taylor Properties LLC and to report its findings and recommendations to the Board of Directors.

The Land Advisory Team will be responsible for gathering and evaluating information related to:

- *Potential purchase price and associated costs;*
- *Available financing and loan options;*
- *The potential impact of a land purchase on shareholder maintenance fees;*
- *Alternative payment and financing structures;*
- *Relevant surveys and shareholder feedback regarding the potential purchase, including the required supporting vote of two-thirds of shareholders; and*
- *Other information the team determines necessary to assist the Board in evaluating the matter.*

I further move that the following individuals be appointed to the Land Advisory Team:

- *Dave Kohli*
- *Craig Mayer*
- *Greg Lockwood — Board Liaison*

The team may request additional members, professional expertise, or outside assistance as necessary to complete its work, subject to Board approval where appropriate.
The Land Advisory Team will serve in an advisory capacity only. It will report its findings to the Board of Directors, and any decision regarding the purchase of the leased land will remain with the Board and, where required, the shareholders.
With the advisory team now established, our next step is to advance the work necessary to determine whether we can secure the required two-thirds shareholder support for proceeding with this initiative. We need to understand the financial implications, available options, and approval requirements so that shareholders can make an informed decision.
In my opinion, this is one of the highest priorities we collectively face today. If the purchase proves achievable on reasonable terms, it could provide immediate financial benefit and greater long-term stability for the portion of our maintenance fees associated with our land lease obligations.

We owe it to ourselves, as shareholders and as directors entrusted with the future of Palm Hill, to give this opportunity the time and serious consideration it deserves. That means examining the facts, understanding the risks and alternatives, and ensuring that shareholders have the information necessary to make an informed decision.

We cannot afford to dismiss an opportunity of this magnitude based on short-term thinking or comfortable assumptions about the status quo. Our responsibility is to look beyond today and consider what will best serve Palm Hill over the long term.

I expect that town halls, further communications and transparency will come forth shortly, as we all organization our thoughts and intentions.

If we want to preserve an affordable lifestyle, maintain a safe community, and protect the many things Palm Hill has successfully accomplished, we must be prepared to examine opportunities that could strengthen our financial future.

Let us give this initiative the attention it deserves and exercise our fiduciary responsibilities with the long-term interests of Palm Hill and its shareholders firmly in mind.

Respectively,
Henry Klain,
President, HOPH Inc

MANAGER'S CORNER

By Megan Leftwich, CMCA, AMS, On-Site Manager, mleftwich@resourcepropertymgmt.com

Manager's Report:
Welcome back to all our seasonal residents! It's wonderful to see familiar faces returning to Palm Hill. As you settle back in, please remember to stop by the office at 1800 Seminole Blvd. to check in. The "Returning to Palm Hill" forms are in the holders on the wall. You can drop them off with us or in the drop box if we aren't here. Please be sure to complete all the information, as we have updated the form this year. This helps us keep our records current and ensures we have your updated contact information if we need to reach you.
As the weather cools down and many of you are thinking about sprucing up your homes, I want to remind everyone about our architectural review process. Whether you're planning to replace your front door, paint your home, add gravel, or make any other exterior changes, please submit an Exterior Architectural Request form (formerly called an exterior work permit) to the office for approval *before* starting the work. These forms are also available on the wall next to the office. To prevent delays, make sure to include a sketch, materials being used, and color samples. This process typically takes a week or less, and it helps ensure that all modifications meet your community standards and guidelines. If you have questions about these, you can find them in the Rules & Regulations sections II and VI.
If you have any questions about what requires approval or need help with the application process, don't hesitate to contact us at the office. We're here to help make the process as smooth as possible. Here's to a wonderful season at Palm Hill!
Sincerely,
Megan Leftwich

STORY OF THE MONTH: A LIFE WELL LIVED

I'm currently in search of Palm Hill Residents who fit into what I believe is a rare category. I'm learning that I have landed in a perfect community that proves longevity. Reaching 90 and remaining able to do things you love is reality here. I want to discover some secrets to this possibility.

I found out about Tom Palladino by chance or maybe as Tom would say, "It was luck."

Early one morning, I posed a question to one of the golfers traveling by my yard. "Good morning. Do you happen to know anyone here in the park that still plays golf and is 90 or over?" He dropped a name. "Yeah, I know somebody. Uh, uh, uh, Tom Palladino. He still gets out here nearly every day and he's a great guy." So, I waited for an hour or so and called Tom. And he answered the phone. Tom understood right away my interest in creating a story. Now 90, Tom was ready to share his perspectives on what life has taught him. We arranged for time together so I could hear about the years I may never get to see. If I can at least hear different perspectives of how the story goes, I'll be grateful.

Before I could ask any questions, Mr. Palladino began by informing me that, "Life goes by fast; enjoy it." He followed his opening wisdom with tidbits from stories that prove his theory. All his memories seem to hold a common thread which he stated as, "I'm just lucky." His easy-going, kind-natured attitude was immediately admirable. I wanted to learn more. "I just live a simple life and that's all there is to it." If there's something I want, I buy it and I don't worry about things." I thought the interview might be over.

Tom then continued sharing the story of his life with a remarkable third-person kind of attitude. He was born in the small town of Waterbury, Connecticut, and into a family with 10 siblings; 5 brothers and 5 sisters. His parents worked hard to feed all their children and they never complained. His mother stayed at home to keep everyone straight and his father worked two jobs and grew a garden to provide additional food. Tom is the only remaining member of his family and feels lucky and grateful to have each day.

In 1957, Tom enlisted in the US Army on December 7. Soon after receiving his required immunization shots, Waterbury, CT, had a devastating flood that destroyed much of everyone's personal belongings. Because of the flooding, Tom lost the paperwork that accurately detailed his shot record. He was required to repeat the series of necessary shots before being accepted for required Army training. Tom finally reported for military training in January of 1958 and was now told that 3 out of every 4 men would be serving the country in the US Navy instead. This was a fortunate turn of events and Tom served proudly in The Navy as an Airedale. After only serving for two years, and because of his willingness to serve in a different branch, Tom received an Honorable Discharge from the military and was sent home. According to Tom, this was another "lucky" event.

Continuing to think and talk about his life, Tom went back to his childhood and shared that his first love was the game of Duck-Pin Bowling. Tom secured a job in town at the Bowling Alley. At the ages of 12 and 13, he earned additional money for his family. Tom manually set the pins for the bowlers in each lane, and he earned 8 cents per lane and per game. Soon after, Tom spent his Saturdays playing with the bowlers as they challenged other Alley's teams, went to neighboring towns and travelled into nearby states. After setting up pins and spending so much time watching how the top players approached the game, Tom became an accomplished bowler. Today, Tom has one remaining trophy from decades of tournament and individual success. His other 31 trophies were donated to a friend who ran the Special Olympics Program in Connecticut. (No mention of luck was suggested.)

Tom's career started with his own business painting and applying wallpaper. He eventually continued this career at the suggestion of his town barber who had a relative in charge of hiring employees for the city. Tom was hired for a job with The City of Waterbury, and he remained there for 24 years. He retired at 64, started travelling to Florida, and started playing golf every day.

While on a vacation in Florida, Tom met friends who lived in nearby New Haven, Connecticut. The couple had travelled back and forth for years to enjoy vacations and both climates. After just three years, Tom asked his friends to be on the lookout for a great place to live in Florida. They agreed to help him and sited a home in Palm Hill. The cost of homes at that time in Florida was so low that Tom figured the property must be a dump. His friends quickly informed him that the community surrounding the home even had a golf course. Tom bought his current home, on Frangipani, sight unseen, and moved into Palm Hill in 2007. Sounds like a lucky guy.

Tom continued to share his grateful, "lucky", attitude with Palm Hill. He acted unselfishly and volunteered for Bonnie Roberts, (being over 90 years of age), who was working from 8am to 4pm, 7 days each week as the Golf Pro Shop Employee. Bonnie needed someone to help her in a time of sickness; Bonnie had become too ill to work. For four months, Tom continued working with Bonnie's integrity, showing great care for the community, and without compensation.

Being grateful for all that has happened in your life and being willing to share parts of that life with others may be all it takes to live well at 90. Thank you, Tom, for defining the term "living well" and sharing stories from your lucky life.

IN MEMORY

Messages to offer condolences or a fond memory of a Palm Hill resident may be made in the "IN MEMORY" section on the Palm Hill website – palmhillcountryclub.net. Go to the top of the Home Page and click on Social, then choose "In Memory" from the dropdown list. Your message will go out as an email to those who signed up (subscribed) to be alerted when a new "IN MEMORY" item is posted. *Information in the In Memoriam section is from obituary or death notices, items posted in "In Memory" on the Palm Hill website, or from the family or the Office. Office Reminder: The Office reminds shareholders that upon the passing of a loved one whose name is on the Park share, the death certificate should be filed with the Office for proper recording and accuracy of records at Palm Hill.)*

MEMORIALS (North Rec Hall)

The Memorial Plaque is for those who have lost a loved one. You may wish to have your loved one's name placed on a brass memorial plate, on the Memorial board, in the North Rec Hall.
To memorialize your loved one with an engraved plate, the cost is $25. This amount is a shared cost. From the $25, $5.00 pays for the engraved plate and $20 goes to the North Clubhouse Beautification Fund.
Please contact *Marion Hagen (727) 688-7002.*

RENTERS – WEB BLASTS and WEB ACCESS

Renters can receive Park web blasts from the Office and the Webmaster. Renters must contact the Webmaster when they arrive to the Park and submit the following: name, email address, Palm Hill address, and the day they will be leaving Palm Hill. The Office never forwards the renters' info to the Webmaster for this purpose.
Renters may also request access to the website, however access to the website may be limited. Previous renters still receiving Palm Hill blasts may contact the webmaster to end the blasts.
Renters may email the webmaster at palmhill.webmaster1@gmail.com.
Parts of the website are open to the public. That includes the Real Estate for Sale and Rent sections – both are accessible from the Home Page. Another location to access information is from the drop down "About" on the Home Page. "About" and other categories of information are on the website, in the black bar across the top.

WATER SAVINGS

VOLUNTEERS WILL HELP TEST TOILETS

From Chuck Silcox, Board Member

Water and sewer bills cost $25 per every 1,000 gals of water. Fixing a leaking toilet provides a way to reduce Palm Hill water costs. When a toilet or faucet etc. is changed, there are options to purchase devices that use less water.

The Palm Hill Board of Directors has agreed to pay to repair the toilets that are wasting water. The cost to repair one toilet is about $15. In four months, we will save $300 on water and sewer expenses for one toilet. Since that toilet should not leak for the next five years, that would be an additional $300 in savings every four months for five years – a savings of $4,500 for that one leaking toilet.

Dye tablets are distributed regularly and are available at the Office. If the dye tablet test shows your toilet is leaking water, go to the Palm Hill Office and fill out a consent form with your contact info. A volunteer can call and come by to make the repair.

When the volunteer comes to make the repair, he will retest the toilet. If it needs repair, he will repair it. He is instructed not to spend time and money repairing toilets that are not leaking.

If for some reason you can't test your toilet, volunteers are available to perform the test.

Just call the OFFICE (727-581-8729) and ask to put your name on the list for a toilet test.

November 19 activity: Lunch at an Irish Pub.

BOOKCLUB CHOICE: December 3 – The Women by Kristen Hannah. Discussion Leader: Barb Starkweather. This book details the life and years of a nurse serving in the Vietnam War. The book describes bold patriotism and the backlash experienced of protests, divisions and disbelief that women bravely served in this controversial war effort when female veterans finally return home to the USA.

A Vietnamese snack, lunch or dinner will be the activity in December.

We welcome new members who want to be lifelong learners through open discussions. Research shows that belonging to a book club can be an excellent way to increase empathy and make connections.

ATTENTION TO ALL HOME OWNERS IN PALM HILL:

As the year draws to a close, the dates for our Annual Candidates Night and Palm Hill Elections will be upon us. Enjoy the following summary written by Carolyn Story, Palm Hill Board Member, explaining what it means to serve our community.

SERVING ON THE PALM HILL BOARD OF DIRECTORS

Written by Carolyn Story

A board member is the guardian of your community, assets, and lifestyle. Our primary duties are protecting assets, encouraging fairness, and planning for the future. Our legal obligations — called fiduciary duties — consist of the following:

1. Duty of Care: Acting with the same common-sense prudence you would use when managing your own affairs.
2. Duty of Loyalty: Always making decisions based on what is best for the community as a whole — never for personal gain or for a small group of friends or neighbors.
3. Duty of Obedience: Enforcing the association's governing documents. Time commitment can vary. Some factors include which committee you're directed to as the board liaison, projects that arise throughout the year, and how much time you personally are willing to give to your community.

I have been appointed liaison to the Golf Advisory Committee, of which I have co-chaired and been a member for numerous years. As liaison, I attend all meetings, acting as a communicator and governance bridge to the full board of directors. I do not partake in voting, and only join discussions when asked for thoughts, recommendations, or guidance. I am there in an advisory and supportive capacity for the committee. In turn, I present the committee's recommendations, proposals, or requests each month at the Board of Directors meeting.

I have served on the Communication Committee, Golf Advisory Committee, and Real Estate Committee, both as a member and as chair. I enjoyed all aspects of this work, including the orientations for new shareholders. I have served on your Board of Directors for six years, including a term on the executive committee as secretary. Last year, I ran again and was elected to a three-year term.

I find great satisfaction in serving my community. I've always felt that your first year serving should be like a sponge — absorbing the ways and thoughts of your fellow directors. This allows you to understand the work and see where you can best contribute to the team. When a vote is taken, majority rules; if the outcome isn't to your liking, go along with the vote as taken. You are part of a team working together, not an individual. Honestly, open communication is a powerful tool. Be available for your fellow shareholders. Be willing to listen and work together toward a reasonable solution.

As a cooperative, we only work as well as the members who step up to guide us. Serving gives you a direct voice in preserving Palm Hill's policies. I encourage those who have the desire to step up to the plate to submit your letter of intent and join the Board of Directors — I'm sure there's a place for you on Palm Hill's board. If you have any questions, I or any board member would be happy to talk about it with you.

GOLF ADVISORY COMMITTEE

Caroline Zimmerman - zimmermangolfer@gmail.com

ATTENTION:

ALL RESIDENTS AND GUESTS - GOLF COMMITTEE RULES AND REMINDERS

Palm Hill Country Club is a private golf course; payment is always required to play. Fees are posted in the PRO SHOP. You must pay before you play. Signing in is required before playing golf and you can choose your form of payment. There is a three-ring sign in binder on the PRO SHOP patio table indicating current time, your address and annual membership number, payment fee for the round being played or your purchased 10 pack number. Cash payments and the 10-pack coupon, for the round, may be placed in the envelope provided and placed through the "mailbox" metal slot in the PRO SHOP on the wall.

Now is the time for you to buy your annual membership and your motorized annual Golf Cart stickers. Both may be purchased at the office. Remember the 10-play prepaid golf fee coupons never expire. Only 2 10 packs may be purchased per household each year. Motorized golf cards must display this year's purple sticker. Every year IS ASSIGNED its own-colored sticker. Two stickers per cart are provided, must be placed on each side of the golf cart and not on the windshield. Please follow the instructions that come with the stickers. Registered motorized golf carts are only permitted on the golf course while playing golf. An unregistered cart may also be used for a fee of five dollars for the day. Payments are accepted at the PRO SHOP.

The Palm Hill Rules and Regulations Committee approved 9/30/26 the following violations and penalties:

All golfers must pay. Non-paying players are in violation.

a. First time violators will receive a letter with an opportunity for a hearing and an invoice to pay a double amount greens fee.
b. Second time violators will receive a letter with an opportunity for a hearing and an invoice for a double amount greens fee. Additionally, upon confirmation by the compliance committee, play will also be suspended for a week.
c. Severe issues will follow this violation process: 1. Conversations with offenders by office or PRO SHOP staff. Violation, letters, fines and/or suspensions to be heard by the Compliance Committee sent to the attorney for enforcement.
d. Non-golfers walking or riding on the course, at any time, are in violation and are trespassing. Trespassing will be dealt with according to local laws.

SAVE THE DATE – NOVEMBER 18

Palm Hill Country Club – Taste of Golf, November 18 - Announcement

This is your chance, Palm Hill, to come and check out your skills at golf. We will have something at each hole for you to learn. You will be matched with a group to take you through the skills needed to play golf including golf etiquette. If you don't want to play, you can walk or ride in your cart with us. You're welcome to travel with us and have your first fun experience. There will be a snack or an hors d'oeuvre to enjoy at each hole. There will be no losers-just wieners for everyone. You must sign up ahead of time to allow us to plan. Don't miss out on your chance to see all Palm Hill Golf Course is about and find out if you have a hidden golfer inside of you.

HELPING SERVICES AT PALM HILL

GEORGEANNE'S HELPING HANDS TO ASSIST WITH MEDICAL TRANSPORTATION

Ted Silva, Coordinator, (508)965-6072

Neighbors helping neighbors. If you need a ride to a medical appointment, please call Ted Silva.
If you wish to join GHH as a volunteer, please call Ted Silva.

GHH is an informal group of neighbors within Palm Hill who volunteer to drive other neighbors to medical appointments. Those who need transportation may contact Ted, who then alerts available volunteers.

GHH usually has volunteers available to transport people BOTH to and from their medical appointments. Volunteers do not accept payment.

Unfortunately, GHH is not always available when needed. Volunteers are limited, specifically in the summer.

Other Services:
Pinellas Suncoast Transit Authority (PSTA) is a good resource for Palm Hill residents. The website is: https://psta.net/programs/psta-access-paratransit/ OR call **(727)540-1888** for information on how to enroll. This is a GREAT back up transportation program.

CARELIFT - ***(727) 461-8548*** is a free service operated by volunteers which goes to Morton Plant and other BayCare facilities north of Palm Hill only. Appointments should be scheduled as far in advance as possible, 2 weeks' notice preferred, but could be fewer. Clients must be ambulatory (folding walkers are allowed.)

RECYCLING VOLUNTEERS NEEDED

Sending out a big thank you to everyone who has been doing their part to recycle! It truly makes a difference, and it shows that this community knows how to take care of our home!

Working with Elroy

Now, if you've ever thought, "I'd love to help, but I'm not sure how," here's your moment: If you would like to volunteer to help with sorting, please reach out to Elroy (574 -971-6769). It's a great way to meet neighbors and finally settle the age-old debate: *Is that recyclable, or just wishful thinking?*

"Do all the good you can, by all the means you can,
in all the ways you can, in all the places you can,
at all the times you can, to all the people you can,
as long as ever you can." — *John Wesley*

For recycling information: Elroy Bontrager, Recycling Volunteer (574 -971-6769)

PALM HILL RULES AND REGULATIONS, SECTION 6 – Q:

Use of Sanitation Area: The sanitation area is available for handling recyclables, non-recyclables, vegetation, and construction materials.

The construction bin shall be used strictly for construction materials and household items, such as furniture. Renovation debris, such as kitchen cupboards, shall be broken down to minimize the volume required for the construction bin. Electronics, tires, paints, oil, metals, including aluminum, and hazardous materials are not permitted. Items that can be recycled should be separated and placed in the appropriate refuse or recycling bin. Recycled items are not to be taken/removed by a resident or individual. No dumping of construction material or refuse directly on the ground is permitted under any circumstances. Should such abuse of the sanitation area occur, the cost of such cleanup will be borne by the responsible resident and may include suspension of access and associated fines. Sanitation facilities are restricted to Palm Hill homes only. All others, including commercial use by Contractors or individuals outside the corporation, will be considered unauthorized and trespassing.

Thank you for your cooperation.

Megan Leftwich, Palm Hill On-Site Manager, CMCA, AMS

WAY BACK WHEN

Palm Hill history, a little at a time
From your Palm Hill Communications team

Forty years ago this month, on November 7, 1986, the State declared Home Owners of Palm Hill, Inc. officially a cooperative. That makes 2026 our 40th year owning our own park! So each month we'll dig a little into our past, from Candy Armstrong Schmidt's 1987 *Story of Palm Hill Country Club* and from the back issues of the LINK. See how you do!

Did you know?

- Our golf course opened to the public in late November 1970. You played five holes, walked west through the citrus grove with the mockingbirds singing, then played the last holes.
- In 1970 the only phone in the park was in the sales office, and everyone's mail went there too.
- Snowbirds have always gotten a party. On November 4, 1979, "the season" opened at North Hall with champagne punch, coffee and cake... all free!

Match it up! What did it cost?

1. A round of golf, 1970 (with a coupon from the paper)	a. $144 a year
2. Lot rent, 1970 (golf free forever!)	b. a dime
3. Showing up without your name tag, 1971	c. $1
4. Five Bingo cards, 1971	d. $40 a month
5. A space for your boat or RV in the new compound, 1983	e. 50 cents

10 years ago in the LINK (November 2016): the North Recreation Club's Veterans Day program on November 11th at the North Clubhouse, with free coffee and donuts at 8:00, the program at 9:00 and a potluck at noon. And a reminder to snowbirds to check in with the office so your fob works at the pools and clubhouses. Some things never change! :)

Quick quiz: When residents bought the park in 1986, what did one share cost?
(a) $1,700 (b) $17,000 (c) $170,000

Help us fill in the gap! In March 1977 the old monthly calendar sheets were replaced by the COURIER. When did it become the LINK? If you know, or have an old COURIER tucked away in a drawer, drop a note to the LINK editor at phcclink@gmail.com.

Answers: Open your phone's camera, point it at the square code below, and tap the link that pops up. Or go to palmhillcountryclub.net/way-back-when. The answers will also be in December's LINK.
