WATER AEROBICS = HAPPINESS

Outstanding days can occur when we are courageous enough to embrace a new opportunity. Walking into a fit group of spirited women at Palm Hill North Pool qualified as such a day for me. Our September Cover photo was taken at one Friday, regularly scheduled, Water Aerobics class. The teachers, Jane Gaff and Lois Marshall, lead the classes with full commitment and understanding of the amazing benefits of water aerobics "therapy". This low-impact exercise uses water resistance to soothe aching joints and resolve an aching back. The warm saltwater environment offers gentleness on your skin and bathing suit. With every kick and every push muscles are toned and strengthened. Additional health benefits include increased heart-pumping activity which can lead to better circulation and reduced blood pressure. Consistent exercisers can benefit from naturally releasing endorphins that provide stress relief and anxiety reduction. Group classes offer a fun way to meet people, keep workouts consistent and build a community. All residents are welcome to attend classes held at The North Clubhouse pool on Tuesdays, Fridays and Sundays at 10:00am. Bring your towel and your willingness to explore this great workout. Your body and mind will thank you.

PALM HILL SEWER LINING PROJECT

When a project takes place underground, we don't always respect its importance simply because we don't see the arduous process involved. Fortunately, we have residents in Palm Hill that have the knowledge and expertise to lead such an important project.

Beginning in 2022, Resource Property Management Inc., recommended that we investigate the condition of our nearly 60-year-old sewage system. Most local systems are well worn after this length of time and homeowners can face serious consequences if the lines themselves begin to fail, collapse, and fill with unwanted sewage materials. Thankfully, we planned this project and dodged an emergency. With Bob Newport, as director of the South Park project, Seminole Septic was, hired to put cameras through the sewer lines. The sanitary sewer lines were evaluated to determine their condition. Clear evidence of deterioration was discovered in the sewer line pipes, gaskets and connecting system joints showing cracks and leaks existing.

The South section of the park also has a Lift Station where the important sewage pump is housed. Sewage accumulates there and is pumped to Largo main sewer lines. Once the cameras identified system problems, highly pressurized water was used to clean the existing lines and repairs were made using new technology. A fiberglass and resin liner was put in the lines. Bids for the locating, digging and the repairing portion of the job were won and completed in the South section by PRS Company. The South Park project was finished once the lift station was also protected from further damage.

In 2025, the North Park sanitary sewer line project, under the direction of Bob Gay, was put out for bids. The most cost-effective solution was chosen. By using the same technology as was used in the South, the aging clay tile pipes were successfully lined.

This material helps to protect the pipes from further deterioration and collapse by supporting the interior space. This product provides us with a 50-year expectancy.

The North Park bid was won by Inliner Solutions Inc. This company was able to handle all phases

of work. The project was initially divided into three phases to provide needed time for accumulating additional funds for completing the work. Because the company gave such a reasonable bid throughout all phases of the project, the work ran continuously from October 2025. Approximately 150 feet of work remains to be completed as of July 31, 2026.

Residents were extremely patient and cooperative throughout the project. Many days caused unexpected but necessary water restrictions, looking ahead for heavy equipment, enduring noisy motors and dealing with occasional late work hours. Project directors were onsite and knocked on many doors to deliver daily notifications and weekly updates. Very few accidents and incidents occurred with both projects. Manholes were unexpectedly found under houses, in backyards, in parking lots and at doorsteps.

The total project costs to date are $1.4 million in the South and $1.3 million in the North. Over 16,000 linear feet of pipe were lined in the south and over 25,000 linear feet were lined in the North. Additionally, several storm drains had to be lined due to their collapse. Now, residents of Palm Hill have the benefit of this completed project without the cost of a special assessment.

Going forward, please be aware that homeowners are responsible for their lateral piping. If you would like to have minimal problems with your home sewers, it is recommended that all clay tile pipes are replaced with PVC piping. Neighbors could investigate this change together and benefit from using the same company and combining the costs of the jobs.

Thank you, Palm Hill, for successfully surviving this long and important infrastructure project. Both water valve replacements and new drainage are on the docket ahead as we continue to weather the storm and keep our community in the best condition possible.

Thank you to Bob Newport and Bob Gay for their tireless work on this massive project.

As written and submitted by:

Project Directors and residents, Bob Newport and Bob Gay

A NOTE THAT EXPLAINS THIS MONTH'S CALENDAR

Please do not be alarmed. All daily and monthly events are listed for you on page 31. We are trying to prepare for Palm Hill's "highly filled calendar" life in the months ahead! This new format offers a centerfold, pull-out, personal use calendar for your convenience. The reason for this change was due to many comments from residents who were unable to read the calendar. We want what works best.

MESSAGE FROM BOARD PRESIDENT HENRY KLAIN

Status Update

1. Working Together with Management

Over the past year, we have continued to engage with our management company to discuss ways we can mutually improve the services provided to Palm Hill. These conversations have focused not only on management's responsibilities, but also on how we, as a cooperative, can better support those efforts. The discussions have been positive and productive as we work together to improve day-to-day service while maintaining cost efficiency for our shareholders.

2. Strategic Planning

Strategic Planning, including consideration of the recommendations from our recent third-party review, has primarily been assigned to our Planning & Environmental Committee. Our initial focus is on opportunities that can be achieved in the short term by addressing "low-hanging fruit," much of which involves eliminating duplication of amenities and improving operational efficiency. These are relatively low-cost initiatives that can produce meaningful benefits while positioning us to develop one amenity into a true top-tier facility.

3. Solar Initiative

Our solar initiative continues to make significant progress. The north solar array is now operational, and the largest array in the south has also been commissioned in "island mode." As part of the final phase of the project, we are evaluating the need to upgrade electrical infrastructure, including transformer capacity, to enable us to reverse-feed electricity back to the grid. Once completed, Palm Hill will continue to realize meaningful electrical savings for many years to come. Our sincere thanks go to the many volunteers whose dedication and expertise have brought this project to the threshold of completion.

4. Understanding Who We Are

I would also like to encourage a broader discussion about something that makes Palm Hill truly unique. Palm Hill is not a condominium (Condo), nor is it a Homeowners Association (HOA). Palm Hill is a cooperative. Each of our 1,096 shareholders owns one share in the cooperative, and together we collectively own and democratically govern our community.

The word cooperative has two complementary meanings:

As an adjective, it describes people who are willing to work together, help one another, and contribute toward common goals.

As a noun (often called a "co-op"), it describes a business or organization that is owned and democratically controlled by the people who use its services.

These two definitions beautifully describe Palm Hill. We are not simply neighbors living in the same community, we are owners working together to shape its future.

As Palm Hill continues to evolve and adapt to changing times, understanding and embracing our cooperative model will become increasingly important. It encourages participation, volunteerism, shared responsibility, and thoughtful decision-making for the benefit of everyone.
I invite everyone to reflect on what it truly means to be part of a cooperative. We look forward to continuing this conversation as we discuss Palm Hill's future and the opportunities that lie ahead.
Thank you to all our committees, continuing in partnership with shareholders, doing the hard work required, in the best interest of our community.
Stay tuned.
On behalf of the Board,
Henry Klain,
President, Home Owners of Palm Hill (HOPH)

BOARD OF DIRECTORS – BUDGET AND MONTHLY HOMEOWNER FEE – 2026-2027

Currently, the approved monthly shareholder fee that must be paid is $595 from 4/1/26 to 3/31/27.
The Board approved an annual budget of $8,037,785.
To cover Palm Hill's monthly expenses, several accounts are included: monthly shareholders' fees, golf course income, storage lot rentals, accounts bearing interest, late fees and additional generated income.
Budget details were mailed to all shareholders.

BOARD OF DIRECTORS – MEETING SCHEDULE AND KEY DATES

Board meetings are NORMALLY scheduled for the last Wednesday of the month at 1 p.m. **Meetings are held by ZOOM, in person and are in North or South Rec Hall.** Meetings are recorded, posted to the Palm Hill Website and are available on the Community TV Channel. Agendas are posted on bulletin boards in the Rec Halls and sent out via web blast prior to the meetings. Changes to time or dates, (especially in the case of holidays), will be announced via web blast.
BOARD AGENDA MATERIALS: Prior to the meetings, materials for the Board meetings are available on VANTACA and on the Resource Property Management website. MANAGER'S CORNER

By Megan Leftwich, CMCA, AMS, On-Site Manager, mleftwich@resourcepropertymgmt.com

Manager's Report:

REMINDER: We are in the rainy season, but drought restrictions remain in place until October 1st. Please reduce any outside water usage as much as possible and follow the irrigation schedule. It is available online through Vantaca, or you can contact the office to find out your watering day. Additionally, the irrigation system is equipped with a rain sensor that shuts off the well for 24-48 hours when it rains.
TELEVISION/INTERNET SERVICE CHANGE: The Board of Directors approved the discontinuation of the coaxial cable system, effective **July 31, 2026.**
After July 31, 2026, television and internet services will be available only through the fiber-optic system (Xumo). The existing coaxial cable system will no longer be operational.
If you currently use coaxial cable connections for your television or internet service, you must transition to the fiber optic system (Xumo) before **July 31, 2026**, to avoid any interruption in service.
For questions or help with setting up fiber optic service, please contact: Spectrum Community Solutions at 877-647-7732

RECYCLING VOLUNTEERS NEEDED

Sending out a big thank you to everyone who has been doing their part to recycle! It truly makes a difference, and it shows that this community knows how to take care of our home!

Working with Elroy

Now, if you've ever thought, "I'd love to help, but I'm not sure how," here's your moment: If you would like to volunteer to help with sorting, please reach out to Elroy (574 -971-6769). It's a great way to meet neighbors and finally settle the age-old debate: *Is that recyclable, or just wishful thinking?*

RPM EMAILS NOT MAKING IT TO YOUR INBOX? THIS MAY BE WHY

Submitted by Victoria Bruce, Chair Communications Committee

We've heard from several residents that emails from Resource Property Management — our community's management company — are ending up in junk or spam folders instead of your inbox.

To make sure you never miss important park updates; we encourage you to add Resource Property Management to your contacts list. customerservice@resourcepropertymgmt.com

This simple step tells your email provider to trust messages from them and deliver them straight to your inbox.

If you're not sure how to add a contact, just search "how to add a contact" in your email provider's help center (Gmail, Outlook, Yahoo, etc.) for quick step-by-step instructions. Thanks for staying connected with your community!

STORY OF THE MONTH: "FOR THE LOVE OF THE GAME"

A Profile of Palm Hill resident, Marge Taylor

I was pleased with the opportunity to spend time with Marge Taylor, a 90-year-old golfer and Palm Hill resident since 1991, and to talk with my good friend of 35 years about her thoughts and experiences on the golf course.

Marge's love affair with golf began in 1980, when she and a friend enrolled in a night class taught by a physical education teacher. It marked the beginning of a passion that enriched her life as it taught her patience and perseverance. As she puts it, "You've got to have it, or forget it!"

Since that time and over the years, Marge's perspective on her favorite pastime has changed little, but her approach to the game has realigned. The ball doesn't go quite as far, and she chooses more club, but that hasn't stopped her from being on the links as often as she can these days. She loves the fresh air, friendships, and the game itself, though she admits it can be frustrating at times. Her advice: "Get out and play, forget about everything else, and just enjoy it". These days, because of her inconsistent balance, she'll move the ball off a slanted slope for her own safety, and she leaves balls hit into the sand traps rather than risk an unsafe position and drops a new one elsewhere. You do what you have to do to continue to enjoy every day of life. Additionally, she added her wisdom by stating, "Don't make too much of it; remember, the main goal is to have fun."

"When you're playing, be prepared and ready when it's your turn to hit. You're the only one thinking about your score, and at this stage of the game, it's really not that important. What matters is the friendships, the weather, taking out a little frustration on the golf ball now and then, and mostly just having fun while staying strong and healthy. Golf keeps you socially active, keeps your mind sharp, and keeps your friendships intact. It mirrors life's ups and downs."

Marge and her husband Jack's most memorable course was Waterway Hills in Myrtle Beach, South Carolina. This course presented many difficult and strategic shots due to the numerous holes surrounded by water. The couple also enjoyed the challenging rolling hills of the golf courses in Ashland, Kentucky, where they lived before retiring to Palm Hill.

ELITE SERVICE

Her first hole-in-one came on our Palm Hill Golf Course, and she followed that success 16 additional times. Last year alone, she scored two holes-in-one just two weeks apart, playing in a scramble with Bill Conners both times.
In the early years, Jack and Marge played golf daily with Carolyn and Richie Story, often logging 36 holes a day—or at least a minimum of 18. The next group they played with included Jim & Sandy Jones, Jackie & Arnie Klock, Carmen and Bob Smith, and Helen & Barry Spinney. Another group of golfing partners includes Arnold Toney, Kenny Smock, and Norm Bufford during the summer months, while Russ Bonfessuto is her golf Couples and Scramble partner during the winter months. She has made many friends along the fairway.
Her most unexpected day of golf happened in Palm Hill as she and 3 other ladies approached Hole #6, looked south, and couldn't believe what they appeared to see: an enormous flock of birds, like something out of an Alfred Hitchcock movie. It turned out to be a tornado, hurling debris (not birds) through the air, without a drop of rain. They quickly headed for the safety of their homes. Carports in the south area of the community were severely damaged in the storm that day.
Marge has been fortunate to call Palm Hill home for 35 years. She credits her longevity to a healthier lifestyle, warmer weather, (she's originally from Buffalo, NY), staying active mainly through golf, and her many friends. “I want to thank all my friends who have played golf with me over the years." We thank you in return, Marge Taylor, for your perseverance and tenacity. You have earned the title of "Queen of the Greens."

IN MEMORY

Messages to offer condolences or a fond memory of a Palm Hill resident may be made in the "IN MEMORY" section on the Palm Hill website – palmhillcountryclub.net. Go to the top of the Home Page and click on Social, then choose "In Memory" from the dropdown list. Your message will go out as an email to those who signed up (subscribed) to be alerted when a new "IN MEMORY" item is posted. *Information in the In Memoriam section is from obituary or death notices, items posted in "In Memory" on the Palm Hill website, or from the family or the Office. Office Reminder: The Office reminds shareholders that upon the passing of a loved one whose name is on the Park share, the death certificate should be filed with the Office for proper recording and accuracy of records at Palm Hill.)*

MEMORIALS (North Clubhouse)

The Memorial Plaque is for those who have lost a loved one. You may wish to have your loved one's name placed on a brass memorial plate, on the Memorial board, in the North Clubhouse. To memorialize your loved one with an engraved plate, the cost is $25. This amount is a shared cost. From the $25, $5.00 pays for the engraved plate and $20 goes to the North Clubhouse Beautification Fund.

Please contact Marion Hagen at 727-688-7002.

GET TO KNOW (MORE) ABOUT PALM HILL: VIDEOS AND MORE ON THE PALM HILL WEBSITE

By Susan Kerr

The Palm Hill website is a treasure trove of information about Palm Hill. Palmhillcountryclub.net is a resource of information and videos containing knowledge that can help you astonish your Palm Hill friends and settle discussions that sometimes are fueled by the rumor mill.

DO YOU HAVE A QUESTION AND NEED TO FIND OUT WHERE TO GET THE ANSWER?

On the Palm Hill website (Palmhillcountryclub.net), go to the Home Page, scroll to the bottom of the list, find the **CONTACT US** link, click, and then fill out the boxes. Your inquiry will be directed to the appropriate person/entity.

Use the search button on the right side of the home page and plug in a word to help locate or provide a pathway to the info you seek.

NEED INFO? Plenty of sources are available to you.

Recorded videos, for example. Let's say someone doesn't have the time, or the schedule, to attend a Board of Committee meeting when it happens live. You can always review what happened at your leisure by checking the Palm Hill website.

Want to review the latest committee or Board meeting video? We have a page for that.

Go to palmhillcountryclub.net home page. Scroll down the links listed to reach Committees of Palm Hill.

continued on page 20

Check out the minutes or videos of the meetings.

Boards
Committees
Meetings on specific projects, such as cable project, the sewer lining project, etc.

Want to know more about Spectrum? We have a special page for that.
Go to palmhillcountryclub.net home page, go up to the menu across the top. (Or type XUMO in the search button on the Home Page.)
Click on **Members**, scroll down the list until you come to Spectrum/Xumo and click on that. You will find links with phone numbers to Spectrum, "how to" videos – how to access the DVR, how to record on the DVR using the XUMO boxes, how to get help from Spectrum, streaming offerings, listings, trainings and in-depth info about the Spectrum transition.
NOTE: *877-647-7732 is the Community Solutions Line - Bulk Owners Customer Support. This phone number is setup for Communities like Palm Hill. Call first for any issue like internet, TV, billing...etc.)*

Want to educate yourself on the Strategic Planning Initiative, Budgeting, or the work of the Palm Hill Management Resource Team, the definition of a Palm Hil Share or many other key subjects?
We have videos and fact sheets/explainers for that.
Go to palmhillcountryclub.net home page, scroll down to HOPH Information, click, then scroll to Shareholders Education Corner and peruse the subject links.

In addition to the videos, UNDER the HOPH INFORMATION link on the Home Page, you will find:

Shareholder Education Corner
How Palm Hill budgets its finances
Shareholder value/price document explanation and Q and A
President's Messages
Rules and Regulations
Watering Schedule
Palm Hill Calendar
Recycling Guide
AND MORE

ABOUT PALM HILL
GO TO TOP OF HOME PAGE AND CLICK ON "ABOUT"
Here you can explore the photo page, the LINK current and back issues, amenities list and find a Palm Hill map.
With its 1,096 shareholders and homes, and a growing year-round population, Palm Hill is as large as a small town or city with infrastructure management issues just like a small town or city.

Information on the Palm Hill website and information that is disseminated through live Board and Committee meetings is essential for shareholders to have to fulfill their responsibilities to help guide the Board of Directors make decisions about the future of Palm Hill.

Current issues are:
--Strategic Future Plan Project
--Future of how Palm Hill manages the Park and its annual budget and multiple amenities
--Infrastructure Improvement Projects (Check Building and Grounds meeting videos and minutes.)

COMMUNICATIONS: Palmhillannouncements@gmail.com

A one-stop email to submit, change or delete items for announcements/publicity on communications channels is now available. Please remember to use this when your listing is to be cancelled, changed or no longer active.
One submission will get the request for publicity to the calendar, the Community TV Channel, the LINK, the webmaster for web blasts and calendar changes: Palmhillannouncements@gmail.com. When you submit the request be sure to include a note specifying where the item should be posted. NOTE: If you wish to send your announcement or communicate ONLY to one communications channel, use the individual emails below.

NEW EMAIL FOR CALENDAR LISTINGS on website and in center of LINK: Send submissions, changes, etc. to calendarpalmhill@gmail.com.
Webmaster: palmhill.webmaster1@gmail.com – for calendar changes/updates
Web Administrator: palmhillcc18@gmail.com
LINK Editor and for all submissions: phcclink@gmail.com. To determine if your event fits the LINK schedule: The LINK is published once a month; submissions are due by the 10th of the month, and the LINK is distributed the last week of the month for the upcoming month.
Community TV Channel: phcctvcommunications@gmail.com
Zoom Webinars Requests: palmhillzoom@gmail.com

RENTERS – WEB BLASTS and WEB ACCESS

Renters can receive Park web blasts from the Office and the Webmaster. Renters must contact the Webmaster when they arrive to the Park and submit the following: name, email address, Palm Hill address, and the day they will be leaving Palm Hill. The Office never forwards the renters' info to the Webmaster for this purpose.
Renters may also request access to the website, however access to the website may be limited.
Previous renters still receiving Palm Hill blasts may contact the webmaster to end the blasts.
Renters may email the webmaster at palmhill.webmaster1@gmail.com.
Parts of the website are open to the public. That includes the Real Estate for Sale and Rent sections – both are accessible from the Home Page. Another location to access information is from the drop down "About" on the Home Page. "About" and other categories of information are on the website, in the black bar across the top.

ALERT PINELLAS: DID YOU KNOW?

From Victoria Bruce, Communications Committee Chair

You can receive free alerts about emergencies and other important community news by signing up for ALERT PINELLAS? (https://pinellas.gov/alert-pinellas/)

Alert Pinellas is an emergency notification service for Pinellas County, local municipalities and the Sheriff's Office that allows you to receive urgent messages about a variety of situations, such as severe weather, flooding events or evacuations.

- When you sign up, you choose how to receive alerts. This could be a cell phone, landline, text or email. You can enter multiple methods.
- Enter the location that you want to receive alerts about. You can choose up to five different locations. This way, you can be alerted if there is something you need to know about in your neighborhood, job, children's school, etc.
- This system is shared by partner agencies throughout the county, so you only have to sign up once.
- Once you create your own account, you can change your settings any time.
- It's easy to sign up for this FREE service.

BE PREPARED FOR HURRICANE SEASON: JUNE 1 THROUGH NOVEMBER 30

From Susan Kerr

PREPARATION IS CRITICAL FOR YOUR PROPERTY, YOUR SAFETY, AND ALL OTHERS in PALM HILL:

Recommendations to secure your property if leaving Palm Hill during Hurricane Season and when hurricanes are predicted.

- Drop and secure window shutters or hurricane shutters.
- Remove, store and secure furniture, flowerpots, outside decorations and loose objects that may fly around in strong winds.

National Hurricane Center: **https://www.nhc.noaa.gov** For more information on all-hazard preparation, visit **disaster.pinellas.gov.**

- For information about shelters, evacuation routes, and preparation, go to the Pinellas County website: **https://pinellas.gov/alert-pinellas**. How to build an emergency disaster kit is also on the county emergency preparation site.
- Residents may sign up to receive alerts at the AlertPinellas Emergency Notification Service.
- Pinellas County orders evacuations to protect residents who are at risk from life threatening storm surges, who live in a mobile home, or who are dependent on electricity for medical needs. To learn more about evacuations and your evacuation zone: **https://kyz.pinellas.gov https://Pinellas.gov/evacuation Visit https://Pinellas.gov/disaster-preparedness/**
- County Information Line: (727) 464-3000
- County Live Chat: https://pinellas.gov/
- Ready Pinellas Mobile App: **https://pinellas.gov/ready-pinellas/**
- Facebook: https://www.facebook.com/PinellasGov/
- X (Formerly known as Twitter): @PinellasGov
- X (Emergency Management): @PinellasEM
- Use trusted sources of local news for timely, consistent, and reliable information.
- Also follow your favorite trusted local news station, the Tampa Bay National Weather Service **(@NWSTampaBay), and the National Hurricane Center (@NHC_Atlantic).**

- HURRICANE SAFETY TIPS/RESOURCES: **Weather.gov/safety/hurricane**
- Learn about hurricanes: Florida State University Climate Center: **https://Climatecenter.fsu.edu/topics/hurricanes**
- **Visit disaster.pinellas.gov**. (Hurricane Guide and info on sandbags is available at that site.)
- Even if you are not in an evacuation zone, be prepared for the other hazards a hurricane can bring such as high winds, tornadoes, flooding rain, and dangerous surf and rip currents.
- Boaters can prepare for hurricanes by planning and preparing early in the season. More information about preparing your boat can be found at disaster.pinellas.gov.

DID YOU KNOW?

Hurricanes are classified into five categories, based on their wind speeds and potential to cause damage.

- Category 1: Winds 74-95 miles per hour
- Category 2: Winds 96-110 miles per hour
- Category 3: Winds 111-130 miles per hour
- Category 4: Winds 131-155 miles per hour
- Category 5: Winds greater than 155 miles per hour

NEIGHBORHOOD WATCH AND LARGO POLICE PHONE NUMBERS

From the Largo Police Web Site

NEIGBORHOOD WATCH: 727-587-6730, EXT. 3154, call for suspicious activities

EMERGENCIES LINE: 911 – IF YOU ARE CALLING DIAL 911 for an emergency or crime in progress:

- Say: "I would like to report a... type of incident)"
- Give the correct house number, street name, and closest major intersection
- Give a complete description of the suspect and the suspect's vehicle, including the tag number when possible
- Stay on the line until the operator advises they have all the information; remember to ask for an event number.

WATER SAVINGS

VOLUNTEERS WILL HELP TEST TOILETS

From Chuck Silcox, Board Member

Water and sewer bills cost $25 per every 1,000 gals of water. Fixing a leaking toilet provides a way to reduce Palm Hill water costs. When a toilet or faucet etc. is changed, there are options to purchase devices that use less water.

The Palm Hill Board of Directors has agreed to pay to repair the toilets that are wasting water. The cost to repair one toilet is about $15. In four months, we will save $300 on water and sewer expenses for one toilet. Since that toilet should not leak for the next five years, that would be an additional $300 in savings every four months for five years – a savings of $4,500 for that one leaking toilet.

Dye tablets are distributed regularly and are available at the Office. If the dye tablet test shows your toilet is leaking water, go to the Palm Hill Office and fill out a consent form with your contact info. A volunteer can call and come by to make the repair.

When the volunteer comes to make the repair, he will retest the toilet. If it needs repair, he will repair it. He is instructed not to spend time and money repairing toilets that are not leaking.

If for some reason you can't test your toilet, volunteers are available to perform the test.

Just call the OFFICE (727-581-8729) and ask to put your name on the list for a toilet test.

Sales Pitch for Golf

For the next few months, even though it may feel like years, we will be receiving calls concerning health insurance programs. We, Palm Hill, are asking you to join our golf health program too. A golf membership will provide you with one of the best health activities you could find.

On our beautiful course, physically you will be challenged, mentally there will be thought-provoking situations and when that ball does not go where we would like emotional health will be challenged. In addition, new acquaintances will be made. Friends and close buddies will be added to your social life. If you don't know how to play, we have plans for you, come join the November 18th golf clinic…. more to come.

As it has been said, golf is a nice walk in the park with a few interruptions.

Any questions, contact Caroline Zimmerman, Chair, Golf Advisory Committee.

A Healthier You — Through Golf at Palm Hill

Wellness Through Movement and Connection

For the next few months, Palm Hill is focusing on health, movement, and connection. Our golf program isn't just about the game — it's about building a lifestyle that supports both body and mind.

Physical and Mental Benefits

Golf strengthens balance, coordination, and cardiovascular health. It's also a mental reset — a chance to breathe deeply, focus, and let go of stress. When the ball doesn't go where you planned, it's a reminder to laugh, reset, and keep moving forward.

Social Health and Belonging

Beyond the fairways, Palm Hill fosters social wellness turning new acquaintances into friends and rounds of golf into lasting memories. Every swing adds not only to your score but to your sense of belonging.

Join the Movement

Golf at Palm Hill isn't just a sport — it's a lifestyle that keeps you moving, connecting, and thriving.

Join us and make wellness part of your game.

HELPING SERVICES AT PALM HILL

GEORGEANNE'S HELPING HANDS TO ASSIST WITH MEDICAL TRANSPORTATION

Ted Silva, Coordinator, 508-965-6072

Neighbors helping neighbors. If you need a ride to a medical appointment, please call Ted Silva.
If you wish to join GHH as a volunteer, please call Ted Silva.
GHH is an informal group of neighbors within Palm Hill who volunteer to drive other neighbors to medical appointments. Those who need transportation may contact Ted, who then alerts available volunteers.
GHH usually has volunteers available to transport people BOTH to and from their medical appointments. Volunteers do not accept payment.
Unfortunately, GHH is not always available when needed. Volunteers are limited, specifically in the summer.

Other Services:
Pinellas Suncoast Transit Authority (PSTA) is a good resource for Palm Hill residents.
The website is: https://psta.net/programs/psta-access-paratransit/ OR call 727-540-1888 for information on how to enroll. This is a GREAT back up transportation program.

CARELIFT - 727-461-8548 is a free service operated by volunteers which goes to Morton Plant and other BayCare facilities north of Palm Hill only. Appointments should be scheduled as far in advance as possible, 2 weeks' notice preferred, but could be fewer. Clients must be ambulatory (folding walkers are allowed.)

SANITATION FIELD

PALM HILL RULES AND REGULATIONS, SECTION 6 – Q:
Use of Sanitation Area: The sanitation area is available for the purpose of handling recyclables, non-recyclables, vegetation, and construction materials.
The use of the construction bin shall be used strictly for the purposes of construction material and household items such as furniture. Renovation debris, such as kitchen cupboards, shall be broken down as to minimize the volume required of the construction bin. Electronics, tires, paints, oil, metals including aluminum, and hazardous materials are not permitted. Items that can be recycled should be separated and placed by the appropriate refuse or recycle bin. Recycled items are not to be taken/removed by a resident or individual. No dumping of construction material or refuse directly on the ground is permitted under any circumstances.
Should the construction bin be filled, the office should be notified, and appropriate arrangements made for disposal.
Should such abuse of the sanitation area occur, the cost of such cleanup will be borne by the responsible resident and may include suspension of access and associated fining. Sanitation facilities are restricted to Palm Hill homes only. All others, including commercial use by contractors or individuals outside the corporation, will be considered unauthorized and trespassing.

TRASH AND RECYCLE CURBSIDE PICKUP

Please separate general trash from recycled material
