Cover Photo: Celebrating America's 250th Birthday at the North Clubhouse

This year marks a truly historic milestone as the United States celebrates its 250th birthday. For two and a half centuries, our nation has stood as a symbol of freedom, opportunity, and resilience. It's a time to reflect on our shared history, honor those who have served our country, and celebrate the values that unite us as Americans.

Decorated in vibrant red, white and blue, the clubhouse was the perfect place for neighbors, friends and families to gather in the spirit of community and patriotism. Guests were welcomed for several hours filled with laughter, friendship, games and appreciation for our nation's rich heritage.

Everyone enjoyed delicious food, festive desserts, and lively conversations as many attendees wore their favorite patriotic attire to demonstrate their American pride.

The celebration was more than just a party – it was an opportunity to strengthen bonds that make our Park such a special place to live. As we honored America's past, we also looked toward its future with hope and optimism.

A special thank you goes to the organizers and volunteers whose hard work made this memorable event possible. A special thanks to The Mens Golf Grillers who prepared the meat selections and all those who donated gift card prizes. Their dedication, creativity, and generosity ensured that everyone could enjoy this once-in-a generation celebration.

MESSAGE FROM BOARD PRESIDENT HENRY KLAIN

President's Message

I would like to begin by thanking Lisa Bria for accepting the role of Editor of the Link. At the same time, I would also like to express our sincere appreciation to Susan Kerr for her valued contributions over the past several years. The guidance and dedication of our Communications Committee with Victoria Bruce leading the committee, continues to strengthen the way we keep shareholders informed and connected.
Thank you, Lisa and Susan!

Status Update

1. Working Together with Management

Over the past year, we have continued to engage with our management company to discuss ways we can mutually improve the services provided to Palm Hill. These conversations have focused not only on management's responsibilities, but also on how we, as a cooperative, can better support those efforts. The discussions have been positive and productive as we work together to improve day-to-day service while maintaining cost efficiency for our shareholders.

2. Strategic Planning

Strategic Planning, including consideration of the recommendations from our recent third-party review, has primarily been assigned to our Planning & Environmental Committee.
Our initial focus is on opportunities that can be achieved in the short term by addressing "low-hanging fruit," much of which involves eliminating duplication of amenities and improving operational efficiency. These are relatively low-cost initiatives that can produce meaningful benefits while positioning us to develop one amenity into a true top-tier facility.

continued on page 6

I would like to thank Elaine Cole for volunteering to continue leading the Planning & Environmental Committee on this important initiative, along with the committee members who continue to dedicate their time and expertise.

3. Solar Initiative

Our solar initiative continues to make significant progress. The north solar array is now operational, and the largest array in the south has also been commissioned in "island mode."
As part of the final phase of the project, we are evaluating the need to upgrade electrical infrastructure, including transformer capacity, to enable us to reverse-feed electricity back to the grid. Once completed, Palm Hill will continue to realize meaningful electrical savings for many years to come.
Our sincere thanks go to the many volunteers whose dedication and expertise have brought this project to the threshold of completion.

4. Understanding Who We Are

I would also like to encourage a broader discussion about something that makes Palm Hill truly unique.
Palm Hill is not a condominium (Condo), nor is it a Homeowners Association (HOA). Palm Hill is a cooperative.
Each of our 1,096 shareholders owns one share in the cooperative, and together we collectively own and democratically govern our community.

The word cooperative has two complementary meanings:
As an adjective, it describes people who are willing to work together, help one another, and contribute toward common goals.
As a noun (often called a "co-op"), it describes a business or organization that is owned and democratically controlled by the people who use its services.
These two definitions beautifully describe Palm Hill. We are not simply neighbors living in the same community, we are owners working together to shape its future.

As Palm Hill continues to evolve and adapt to changing times, understanding and embracing our cooperative model will become increasingly important. It encourages participation, volunteerism, shared responsibility, and thoughtful decision-making for the benefit of everyone.

I invite everyone to reflect on what it truly means to be part of a cooperative. We look forward to continuing this conversation as we discuss Palm Hill's future and the opportunities that lie ahead.
Thank you to all our committees, continuing in partnership with shareholders, doing the hard work required, in the best interest of our community.

Stay tuned.
On behalf of the Board,
Henry Klain,
President, Home Owners of Palm Hill (HOPH)

By Megan Leftwich, CMCA, AMS, On-Site Manager, mleftwich@resourcepropertymgmt.com

Manager's Report:

REMINDER: We are in the rainy season, but drought restrictions remain in place until October 1st. Please reduce any outside water usage as much as possible and follow the irrigation schedule. It is available online through Vantaca, or you can contact the office to find out your watering day. Additionally, the irrigation system is equipped with a rain sensor that shuts off the well for 24-48 hours when it rains.

TELEVISION/INTERNET SERVICE CHANGE: The Board of Directors approved the discontinuation of the coaxial cable system, effective July 31, 2026.
After July 31, 2026, television and internet services will be available only through the fiber-optic system (Xumo). The existing coaxial cable system will no longer be operational.

If you currently use coaxial cable connections for your television or internet service, you must transition to the fiber optic system (Xumo) before July 31, 2026, to avoid any interruption in service.
For questions or help with setting up fiber optic service, please contact: Spectrum Community Solutions at 877-647-7732

RPM EMAILS NOT MAKING IT TO YOUR INBOX? THIS MAY BE WHY

Submitted by Victoria Bruce, Chair Communications Committee

We've heard from several residents that emails from Resource Property Management — our community's management company — are ending up in junk or spam folders instead of your inbox.

To make sure you never miss important park updates, we encourage you to add Resource Property Management to your contacts list. customerservice@resourcepropertymgmt.com

This simple step tells your email provider to trust messages from them and deliver them straight to your inbox.

If you're not sure how to add a contact, just search "how to add a contact" in your email provider's help center (Gmail, Outlook, Yahoo, etc.) for quick step-by-step instructions. Thanks for staying connected with your community!

EXPECTING? STORY OF THE MONTH

We all dream of moments filled with unexpected surprises.

We may even hope to witness a miracle happening before our eyes.
In such a moment would we find ourselves overwhelmed or simply speechless?
We witnessed our very own series of magnificent moments right here on Thatch Palm East.
For five weeks, Linda Henretta chose not to use her car. She secured rides to the grocery, to the doctor and to work. Somehow, Linda's car provided the perfect placement. By early morning, on a day in late March, Linda noticed something unusual on her car.
A mother Mourning Dove had chosen to build her nest and lay two eggs in the windshield wiper blade cowl of Linda's 2016 Honda Fit.
The days waiting for one successful birth were filled with endless patience, creative photography and a parade of curious, questioning neighbors. Watching the protective care that was taken by Momma Bird, Papa Bird and Linda, (who continually placed umbrellas on the car hood for overhead protective cover), brought great joy to many witnesses. These combined events bore a miracle and memories.
Thanks to Linda for her story, providing pictures and sharing these unexpected Palm Hill moments.

AUGUST EVENT LISTINGS

Enjoy your time helping and meeting your neighbors!

August's Little Reminder

August has a funny way of slowing us down. The excitement of summer is beginning to fade, yet there's still time to enjoy warm evenings, beautiful sunsets, and a visit with a neighbor.
One afternoon, an elderly gentleman was sitting on his porch when a little girl riding her bicycle stopped and asked, "Why do you sit out here every day?"
He smiled and replied, "Because I've learned that some of the best moments in life aren't the ones you plan; they're the ones that ride by and stop to say hello."

The little girl thought for a moment, smiled, and said, “Then I’m glad I stopped.”
As she pedaled away, the gentleman realized that a five-minute conversation had made his whole day.
This August, take a few extra minutes to wave at a neighbor, check on a friend, or simply sit outside and enjoy the sunshine. Sometimes the smallest moments become the memories we treasure the most.

IN MEMORY

Messages to offer condolences or a fond memory of a Palm Hill resident may be made in the "IN MEMORY" section on the Palm Hill website – palmhillcountryclub.net. Go to the top of the Home Page and click on Social, then choose "In Memory" from the dropdown list. Your message will go out as an email to those who signed up (subscribed) to be alerted when a new "IN MEMORY" item is posted. *Information in the In Memoriam section is from obituary or death notices, items posted in "In Memory" on the Palm Hill website, or from the family or the Office. Office Reminder: The Office reminds shareholders that upon the passing of a loved one whose name is on the Park share, the death certificate should be filed with the Office for proper recording and accuracy of records at Palm Hill.)*

MEMORIALS (North Clubhouse)

The Memorial Plaque is for those who have lost a loved one. You may wish to have your loved one's name placed on a brass memorial plate, on the Memorial board, in the North Clubhouse.

To memorialize your loved one with an engraved plate, the cost is $25. This amount is a shared cost. From the $25, $5.00 pays for the engraved plate and $20 goes to the North Clubhouse Beautification Fund.

WATER SAVINGS

VOLUNTEERS WILL HELP TEST TOILETS

From Chuck Silcox, Board Member

Water and sewer bills cost $25 per every 1,000 gals of water. Fixing a leaking toilet provides a way to reduce Palm Hill water costs. When a toilet or faucet etc. is changed, there are options to purchase devices that use less water.

The Palm Hill Board of Directors has agreed to pay to repair the toilets that are wasting water. The cost to repair one toilet is about $15. In four months, we will save $300 on water and sewer expenses for one toilet. Since that toilet should not leak for the next five years, that would be an additional $300 in savings every four months for five years – a savings of $4,500 for that one leaking toilet.

Dye tablets are distributed regularly and are available at the Office. If the dye tablet test shows your toilet is leaking water, go to the Palm Hill Office and fill out a consent form with your contact info. A volunteer can call and come by to make the repair.

When the volunteer comes to make the repair, he will retest the toilet. If it needs repair, he will repair it. He is instructed not to spend time and money repairing toilets that are not leaking.

If for some reason you can't test your toilet, volunteers are available to perform the test.

Just call the OFFICE (727-581-8729) and ask to put your name on the list for a toilet test.

GOLF NEWS AND EVENTS

Golf Advisory Committee

CHAIR, Caroline Zimmerman

Steps to having fun; Come play Golf with us!

Having fun on the golf course is very easy. All that is needed are a few golfing procedures. You need a set of clubs, 14 or less, a bag, and determination.

If you have played before, you might want to join the Men or Women's Association. The men play on Tuesdays and the women on Fridays. Or, if you are an early bird, there's always The Bandits at 7 AM Monday - Saturday. Perhaps you and your spouse would like to meet other couples…on Thursday there is a Couples league. It's a very laid-back group of people enjoying the game. All groups are looking for golfers to join them of any skill. If you and your buddy just want to go and play on your own, the golf course is usually open after 9:30 AM until dusk. You can always call the PRO SHOP Staff and ask for the best opening (tee time) to play, although we don't need tee times at Palm Hill.

The only thing left for you to do is to decide if you'd like to pay as you play…$17 for nine holes or $22 for 18 holes. Another option is to purchase a 10 Pack / play tickets or if you're really going to be playing many times you might want to purchase a membership for $588. A membership allows you to play as much as you want as often as you want.

If you've never played before, you might be interested in our Free Golf Course Clinic in November. Different skills will be taught, and you can try honing your skills. It'll be a good way to introduce you to the game, see the beauty of the course and make some new friends.

Sales Pitch for Golf

For the next few months, even though it may feel like years, we will be receiving calls concerning health insurance programs. We, Palm Hill, are asking you to join our golf health program too. A golf membership will provide you one of the best health activities you could find.

On our beautiful course, physically you will be challenged, mentally there will be thought-provoking situations and when that ball does not go where we would like emotional health will be challenged. In addition, new acquaintances will be made. Friends and close buddies will be added to your social life. If you don't know how to play, we have plans for you, come join the November 18th golf clinic….more to come.

As it has been said, golf is a nice walk in the park with a few interruptions.

Any questions, contact Caroline Zimmerman, Chair, Golf Advisory Committee.

A Healthier You — Through Golf at Palm Hill

Wellness Through Movement and Connection

For the next few months, Palm Hill is focusing on health, movement, and connection. Our golf program isn't just about the game — it's about building a lifestyle that supports both body and mind.

Physical and Mental Benefits

Golf strengthens balance, coordination, and cardiovascular health. It's also a mental reset — a chance to breathe deeply, focus, and let go of stress. When the ball doesn't go where you planned, it's a reminder to laugh, reset, and keep moving forward.
